

Washington State Elections Weekly

February 18, 2015

Register | Elections 101

Join us for E101, our comprehensive two-day course required for becoming a certified election administrator in Washington State. To register, visit our [Training Events Calendar](#).

COOP Catch-up

If you missed our online trainings required for the [COOP Certificate Program](#), view these recordings before attending OSOS regional [workshops](#) in March:

- [Lessons Learned from Hurricane Sandy](#) (1-hr recorded webinar)
- [COOP with the Expert, Part 1](#) (1.5-hr recorded webinar)

Certification Testing - ES&S

ES&S has requested that ES&S EVS 5.0 & ESS Unity 3.4 be inspected and tested at the Elections Division office in Olympia. Testing will take place on February 26 and should take about four hours. A full testing report will be presented to each County Auditor after testing is complete. The Voting Systems Review Board will meet later this year to review all certification applications and test results.
